If there is no gas in the property (electric heating and hot water) the Electric Allowance Kwh is doubled.

The chart details the maximum usage allowance of gas, water, and electricity for a 50-week tenancy in accordance with the number of tenants for the property (should the tenancy term vary from 50 weeks, the allowance will be apportioned accordingly to cover the term of the tenancy). Should these figures be exceeded the Landlord reserves the right to levy a charge to cover the cost for the additional usage. It is the Tenants responsibility to monitor their own usage.

A spacious six bedroom house located on a leafy West End street close to the University and the City Centre. Includes a separate snug with TV on the first floor. One shower room and separate toilet, one bathroom. Enclosed rear garden. Up to 2 parking permits available through City of Lincoln Council permit scheme for a fee. Gas central heating.

Price displayed is as per person per week

The rent as advertised per week is the rent due per person for a student studying a full-time course with at least 21 hours of study in term time per week attending 24 weeks per annum.

The total rent due for the property will increase by £32.77 per week for any non-students (rental shares can be apportioned per tenant, meaning one or more tenants can contribute to this).
